COMMENTARY

The late arrival of the picture of Mr. Michael has required the compelation to another page in this already extended Caspier 16 of "The Givery Years". Moreover, we welcome the opportunity of the Caspier of the Caspie

with the persons, in more assertions to prove the contract before the contract before

the date of '1952' on Miss Breaddon's Grade One Cless in definitely wrong, and shexial be '2505' Appropries to all you aids who fire now in the 38-49 age

The "Grade-Opers" who had their picture taken up against the former hapitat Church and the former hapitat church and the same taken as the
